(c) Schaefer will not be responsible to repair any condition or replace any part, (1) if the use of the boat is continued after the defect is or should have been discovered; and (2) if such continued use causes other or additional damage to the boat or component parts of the boat.

(d) Based on the dealer's knowledge of the Schaefer warranty policy and/or consultations with Schaefer, the dealer will accept the claim and arrange for appropriate repairs to be performed, or deny the claim if it is not within the warranty.

(e) The dealer will contact the Schaefer boat owner regarding instructions for delivery of boat or part for warranty repair if it is covered by the limited warranty. All costs to transport the boat for repairs are the responsibility of the owner.
